Play
DIFFERENT!

Editorial

JANOD, with its French design, offers colourful and original ranges of toys for children aged 0 to 9 years old.

A creative team, made up of 15 people, all based in the Jura region in Eastern France. The JANOD team are constantly reinventing great toy classics in order to create wonderful products that are both fun and contemporary, made from high-quality and durable materials suitable for children. An unmistakable style. Stamped with a certain French Touch, the priority is to stay on-trend while still having fun!

JANOD...

... Give your children time to ESCAPE: Appreciate toys as a means of escape, in order to create lasting memories

... Let YOUR CHILDREN dream: Stimulate their imaginations and enable them to make up stories

... Make your children HAPPY with the simple joys of play: Janod toys are designed to accelerate happiness!

But also...

TEACHING VALUES to develop the skills of your children. Because every child is different, Janod creates clever toys that meet their every need in order to help them develop their skills. Give them self-confidence through play!

With JANOD.

Discover and experiment

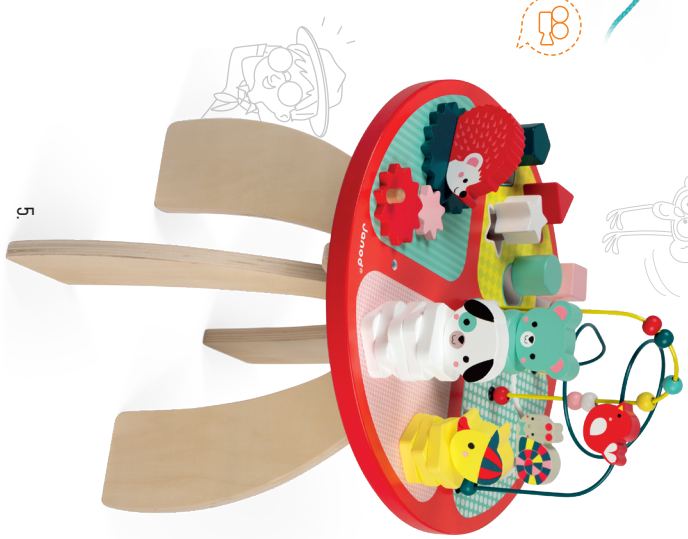

For children, the acts of playing and experimenting enable them to explore their postures, gestural organisation and laterality, culminating in body awareness. With companions like Nutty the Squirrel and Zigolo the Hippo, their explorations will undoubtedly be memorable:

Memorise and absorb

Before the age of 3 years, each experience is memorised by the body and associated with an emotion. Therefore, offering our children situations with a variety of sensory stimulation from an early age enables them to promote their abilities to memorise information.
